

Where Craftsmanship Meets Elegance

Fab Bath Interiors is a premium bathroom fittings manufacturer based in Jamnagar, engineering every product to blend precision manufacturing with timeless design – for homeowners, interior designers, and architects who refuse to compromise.

JAMNAGAR'S TRUSTED MANUFACTURER

Made with **GAMMA**

Our Product Range

From faucets to shower systems, every Fab Bath product is engineered for durability, aesthetics, and seamless performance.

Faucets & Taps

Single-lever, wall-mounted, and deck-mounted designs in chrome, matte black, and brushed finishes.

Shower Systems

Rain showers, hand showers, and complete panels engineered for consistent pressure and comfort.

Bath Accessories

Towel rails, soap dishes, robe hooks, and mirrors — coordinated collections that unify your space.

Flush Systems

Concealed and exposed cisterns with dual-flush technology for water efficiency and clean aesthetics.

Why Fab Bath Interiors?

Quality-First Manufacturing

Every fitting undergoes rigorous quality checks – from raw material sourcing to final polish.

Custom Design Capability

Architects and designers can collaborate on bespoke finishes, sizes, and configurations.

Competitive Lead Times

Efficient production and local supply ensure your projects stay on schedule.

Serving Every Stage of Your Project

Whether you're a homeowner renovating a single bathroom or an architect specifying fittings for an entire development, Fab Bath Interiors is equipped to support you.

Homeowners

Curated collections with expert guidance to help you choose the right fittings for your space and budget.

Interior Designers

Sample kits, finish swatches, and dedicated support to seamlessly integrate our fittings into your design vision.

Architects

Technical drawings, specification sheets, and bulk-order capabilities tailored for large-scale residential and commercial projects.

Let's Build Something Beautiful Together
